Nissan Forklift

Nissan takes great pleasure in attaining total customer satisfaction, when their customer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to providing high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with strong production principals, Nissan lift trucks offer some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide lift truck demands. Dedicated to providing customer support, the company has four separate manufacturing facilities that allow them to continually adapt to their clients continually evolving requirements by providing a range of innovative ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental accountability by using methods and procedures that reduce their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their clients command whilst being an environmentally conscious organization.

Nissan is quite confident that any of their consumers questions and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
